

"Sharing Christ's Light Through Caring for Sight"

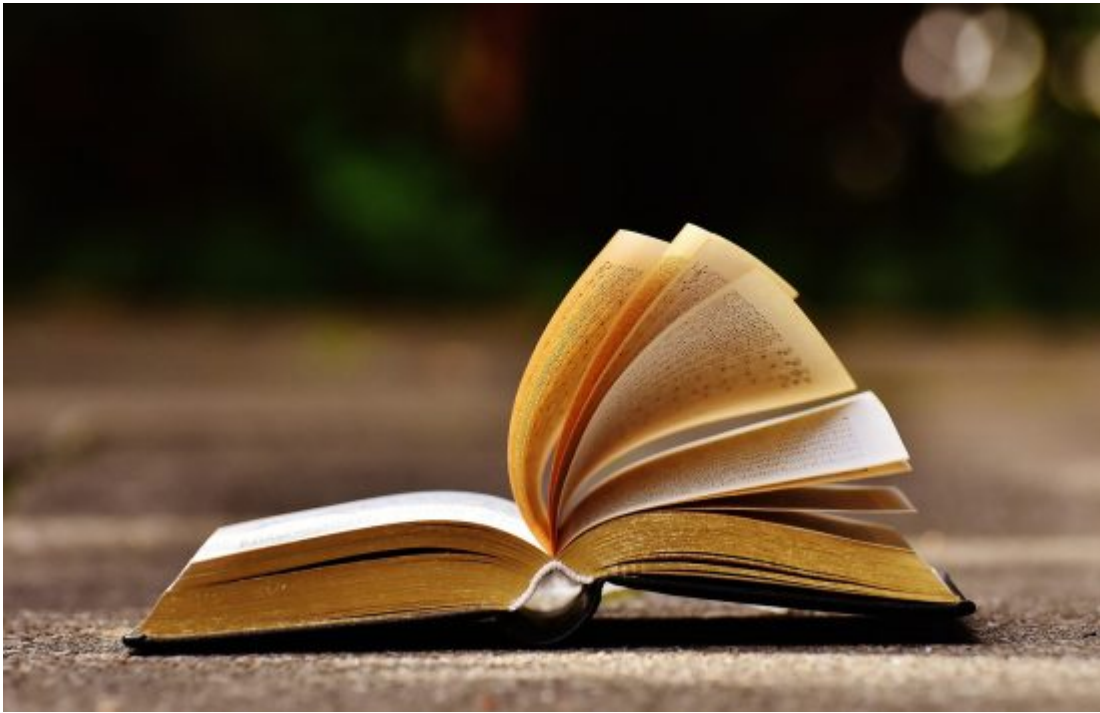

CHRISTIAN
OPHTHALMOLOGY
SOCIETY

We have turned the page and the new year has started! How are things going so far? Do you feel like you have hit the year with renewed purpose? We hope so.

This year, as you ponder God's will for your life, may your focus first be on God and His will so you can adjust your life to Him and His work. May you learn what it is that God is purposing in you, and look at no better model than Jesus to teach you His ways.

We hope we can be a part of that journey and be a community that assists you in being a physician that *shares Christ's light through caring for sight*. We look forward to seeing you at our **Annual Meeting in St Paul, MN, in June**. It will be great to be together again! Take a look at more information and [registration](#) details a little further down.

As the page turns on this new year with renewed dreams and aspirations, COS President, **Dr. Jean Hausheer**, has some encouraging thoughts to share in her "President's Corner" on *new beginnings*. Words that have inspired her as she reflects on 2022 and enters 2023. We invite you to give it a read....

***The President's Corner:
"Turning the Page: Book of Life"
by Jean Hausheer***

The new year is here, along with renewed dreams and aspirations. We all look forward to a fresh start as time has turned the page in the book of life and we each dive into this next chapter. Every chapter in this book of life seems as though it was written for us, as we were each presented with numerous hurdles, including both hills and valleys. We each stand to learn from yesterday, and not stay living in there. None of us can go back and undo any of our past mistakes and shortcomings, yet each of us have the choice of becoming successful moving forward. We can start that journey for the first time as kingdom building men and women, as we fulfill Gods desires for us each here on earth.....
