"Sharing Christ's Light Through Caring for Sight"

CHRISTIAN
OPHTHALMOLOGY
SOCIETY

There are a number of ways to connect and serve with the COS – Annual Meetings, COS Prayer Breakfasts, Women’s Zoom Group, Medical Student Zoom Group, Glen Brindley Mentorship Program, Prayer Ministry, the Foster a Missionary Program, or the **Regional Refreshes**.

The Regional Refresh events are like a COS small group ministry that incorporates great discussion topics, speakers, and engagement with doctors from the area. It’s an informal setting to develop community among the Ophthalmologists in the region and an opportunity to introduce fellow ophthalmologists to the ministry of COS.

The COS is a fantastic group of talented ophthalmologists who wish to use their gifts and skills to make a difference in the world in the name of Christ. At a

Regional Refresh you have another occasion to connect with doctors who are learning to live out their faith while practicing ophthalmology. It's an opportunity to ***"let us consider how we may spur one another on toward love and good deeds."***

We hope you participate in or host a Regional Refresh in your area.

What's involved in hosting a Regional Refresh?

All you need is a host home (or other venue), a speaker or two, some food, and the COS can help with things like: invites, getting the word out, signing people up, sending out directions, and anything else that is needed. We can also help with speaker ideas or brainstorming what you would like to do. There really isn't a set format.

Would you be interested in hosting (or helping with) a Regional Refresh?

Send us a note. We would love to partner with you.

"And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching." -- Hebrew 10:24-25
